

Questions Received Related to the HMIS RFP & NMCEH's Responses

July 23, 2021

For Data Migration, please provide the following information:.

- How many individual client records?
 - *As of July 21, 2021, there are approximately 92,600 clients with approximately 188,800 entry/exit records.*
- How many total columns (fields) and rows of data?
 - *We have approximately 473 columns and approximately 188,800 rows (note that these are rows of client record data).*
 - *As of July 21, 2021, our total program count is 454 and our total agency count is 111. We have 264 active user accounts.*
- What format will the data be in? Can it be Excel or CSV files?
 - *They will be provided as CSV files.*
- How clean is the data? Is your organization able to assist with data cleaning prior to upload?
 - *The data quality improves over time, and is progressively cleaner since 2011. We will assist with data cleaning.*
